

FICM Afterschool Mentoring Program

Our Mission

To mentor future leaders to reach their full potential and enable them to make a positive impact on their community.

A brief summary of program:

The Mentoring Program at Faith In Christ Ministries pairs Christian adults with middle school aged youth from our South Los Angeles community for one-on-one holistic mentorship. Mentors commit to developing a genuine relationship with their mentee. Mentors focus on spiritual, personal and academic development of the mentee and seek to develop a supportive relationship with the mentee's family and community.

Program Commitment:

- Mentor and mentee commitment is an academic year, fall & spring.
- Meet one-on-one with your mentee weekly at FICM.
